

1 **Herb Neufeld and the Case of the Bare Teddy**

2 by

3 **Ulla Thomsen**

4

5 **FX:** The sound of fabric tearing: heavy breathing:

6 **Fade to:**

7 **June:** Well, what would expect me to do Herr Neufeld..

8 after all I'm only a women

9 **Herb:** But that's absolutely awful Fraulein.. eh,

10 Jones

11 **June:** June Jones.. Herr Neufeld

12 **Herb:** June like the month... how sunny.. thank you

13 Fraulein Jones

14 **June:** Don't thank me, Herr Neufeld.. thank the

15 Englpoise and Hurm Stores Incorporated for

16 importing all the teddies and..

17 **Herb:** But it's just awful.. I can see the horror of

18 it.. someone just tearing your teddies asunder

19 and just.. erghh.. just well..

20 **June:** Yes, it defies the imagination, doesn't it,

21 Herr Neufeld.. I was horrified..

22 **Smith:** And as the teddy buyer Herr Neufeld..

23 **Herb:** Eh

24 **June:** This is Mr Smith, the buyer, Herr Neufeld

25 **Smith:** How do you do

26 **Herb:** Occasionally Mr Smith, Occasionally

27 **Smith:** Why?

28 **June:** As I was saying Herr Neufeld..

1 **Smith:** Such an awful crime..

2 **Herb:** some crazed maniac.. bent on

3 destruction...**[shivers]** or worse..

4 **June:** Worse, Herr Neufeld... worse?

5 **Herb:** Yes.. hardly a worse possibility can befall a

6 Teddy

7 **June:** Bear

8 **Herb:** That too.. the final indignity..

9 **Smith:** Yes, bare ...

10 **June:** daylight robbery

11 **Herb:** Only, it was done in the middle of the night,

12 at 3 am

13 **Smith:** That's right Herr Neufeld

14 **Herb:** Now tell me exactly what happened, Mr Smith !

15 **Smith:** Well, it's so far only conjecture, but all we

16 really know is that

17 **June:** No, No, tell him the whole story Smithy

18 **Smith:** Well, it was like this Herr Neufeld...

19 Englpoise and Hurm Incorporated, the well known

20 womens underwear shops chain, invited us over

21 from England in a kind of International

22 Friendship deal.. you know like...

23 **June:** like twinning towns... Dagenham and

24 Dusseldorf for example... or.. or...Munchen

25 and....Berwick on Thames..

26 **Herb:** I get you

27 **Smith:** Anyway, so our German counterparts are in

28 England selling ladies.. er things and June and

1 I here are selling ladies.. er .. things.. here

2 **Herb:** So far, so good

3 **June:** Yes

4 **Smith:** Yes

5 **Herb:** Good the... what happened last night...

6 **June:** Well, we arrived with a load of Teddy Bears

7 in filmy silk things.. you know.. a sort of

8 sales promotion idea

9 **Herb:** Ahem.. yes

10 **Smith:** Jolly good, they looked

11 **June:** On the Teddy Bears.. wouldn't be caught dead

12 wearing that stuff myself... !

13 **Herb:** Oh, of course not ...

14 **Smith:** Where does that bring us to

15 **Herb:** You arrived with the stuff ...

16 **June:** Ah yes

17 **Smith:** And we dressed the Teddy Bears up in things..

18 **June:** Mostly those teddy things women wear

19 **Herb:** An interesting thought

20 **Smith:** Certainly is

21 **June:** Anyway, then we put the display together...

22 that was a few days ago now..

23 **Smith:** And after a few days.. this happens!

24 **Herb:** Oh, dear!

25 **June:** Awful!

26 **Herb:** So your display was ruined...!

27 **Smith:** Completely.. and June had been so artistic

28 with it too!

1 **June:**
